Reaching 45+ million students

Why Schoology: The Only K-12 District Wide Solution

Designed Specifically for K12

The only LMS designed
exclusively for the
K-12 market

Built for District-wide Implementations

Unlike LMS-Lite classroom
tools, Schoology is built for
your whole district

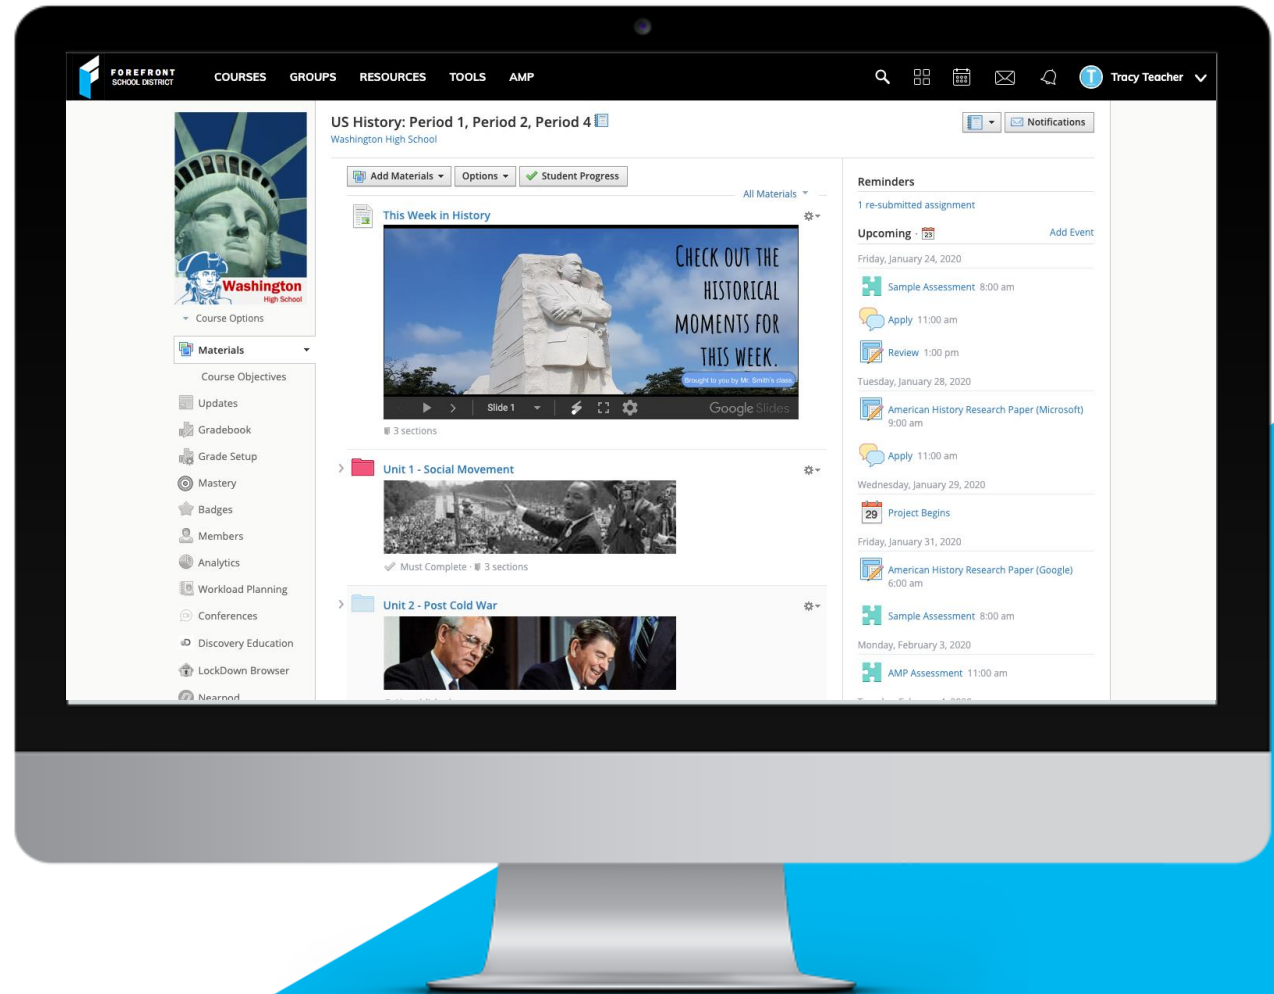

Enhances Collaboration throughout your Organization

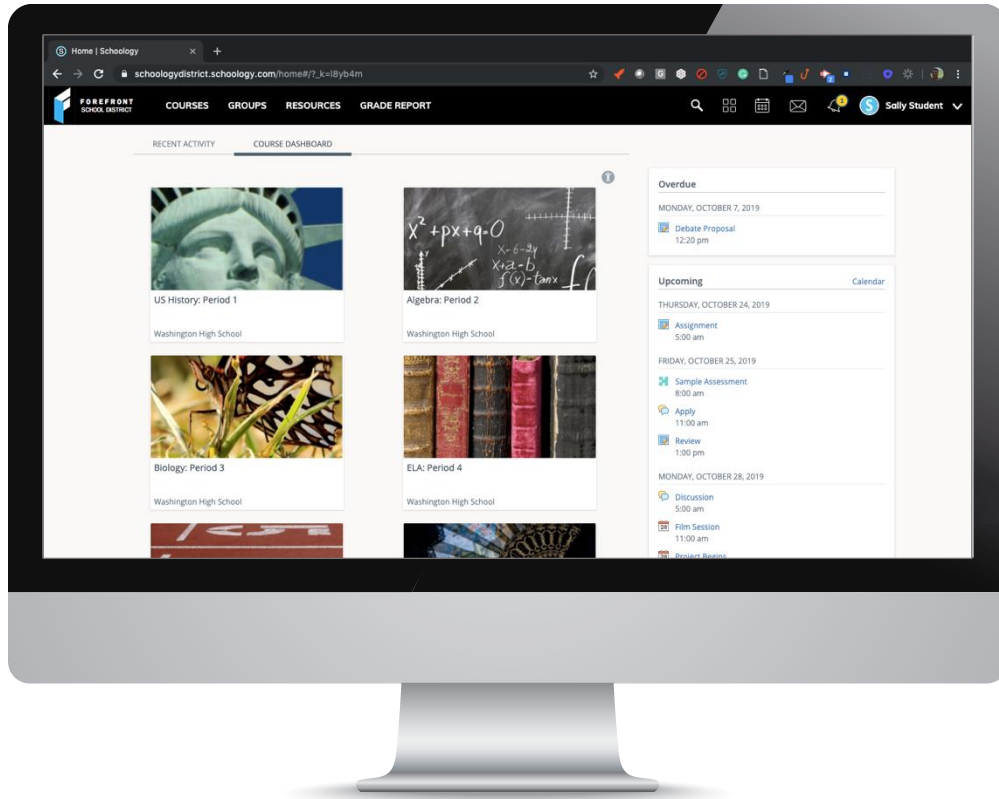

Schoology puts collaboration
at the heart of the learning
experience

Single Place for All Your Course Materials

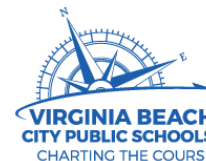

- Courses make it easy for teachers to create engaging experiences
- Everything they need in 1 place – assessments, assignments, tools, etc.

Schoology

- ✓ Largest K-12-focused LMS with over **20M users** and **11M students** globally in over **60,000 schools**
- ✓ Provides **unmatched personalized learning** capabilities
- ✓ Integrates with **all SIS providers**, Microsoft, Google, and over 200 other third-party apps
